

Vinnath satharasinghe

Full-stack Web Developer

✉ vinnathninura@gmail.com ☎ 0771176273
📍 219/5, Rathmaldeniya Rd, Pannipitiya, 10132 Colombo

Profile

I am a dedicated and enthusiastic web developer, eager to kickstart my career as an intern. With a strong foundation in HTML, CSS, and JavaScript, I'm enthusiastic about creating user-friendly, visually appealing websites. I bring a problem-solving mindset, attention to detail, and a passion for staying up-to-date with emerging web technologies. I'm excited to learn, collaborate, and contribute to real-world projects, making a meaningful impact as part of a dynamic web development team.

Projects

Human Face Emotion Recognize System

Cardiff Met – Final Year

I used machine learning tools to create a system for recognizing human facial emotions. To train the model, I started by collecting a broad dataset of facial expressions.

Technologies: Python, OpenCV, ML Libraries, DL Models

Biz Software Solutions

Unique Software Solutions

The web developer at Biz Software Solutions specializes in creating dynamic, responsive websites using HTML, CSS, and JavaScript. They ensure cross-browser compatibility, enhance site performance, and implement advanced JavaScript features.

Project – <https://biz24.netlify.app>

Technologies: HTML, CSS, JS, Bootstrap

WINNY TODO

Freelancer Development

Engaged in the Winny TODO project, I've focused on leveraging MySQL and MongoDB for efficient data management. This hands-on experience has enhanced my skills in database design and optimization, showcasing a practical application of theoretical knowledge.

Technologies: React, Vite, Node, Bootstrap, JS, CSS, HTML MySQL
